Hi Betsy,

I am scheduled to meet with CDPHE's EJ contact, Alex Helling, this Thursday (3/12) and wanted to check in to see if there are any developments that I should be aware of or if there are any specific points you'd like me to cover with him when we meet. I spoke with him briefly last week and he confirmed that the Department is currently in the process of strategizing around possible future community engagement activities in the Globeville and Elyria-Swansea (GES) neighborhoods.
